PRESS RELEASE

FOR IMMEDIATE RELEASE

JUNE 13, 2018

TO: Press Organizations and Concerned Environmental Groups

RE: Shelter Island Deer & Tick Committee Hosting an Educational Forum

SUBJECTS: Deer Management, Tick-Borne Diseases & Prevention

LOCATION: Shelter Island School Auditorium
33 North Ferry Road, Shelter Island, NY 11964

DATE: Thursday, June 28th 2018

TIME: 6:30 PM

SPEAKERS: Sue Booth-Binczik, Ph.D., NYS Department of Environmental Conservation
Scott Campbell, Ph.D., Suffolk County Health Department
Beau Payne, ACO, Shelter Island Police Department

SUMMARY: The burgeoning problem of tick-borne diseases needs urgent action and that begins with education. This will be a comprehensive presentation and discussion of a crucial health topic that effects all of us and our families. Our panel of speakers represents experts and decision makers in our governments.

Please attend, learn and share your thoughts.
